

IGNITE COMMITMENT EXPECTATIONS

What it means to be a part of the IGNITE family....

1

Expectations of player...

As a player at IGNITE I am committed to my schedule. I know my team is counting on me to be fully committed to them so I will be in the gym; dressed, ready and warmed up before the set starting time. I am committed to the practice and tournament schedule. I promise if I am not able to attend I will contact my coach directly out of respect for them and my teammates at least 12 hours prior to the date of my game or practice. I accept that any absences or late arrival to a tournament will result in loss of playtime during the following tournament. I understand I am committing to a schedule and will consider the effect on the team as a whole before making additional commitments outside of IGNITE.

2

Expectations of parents...

As a parent at IGNITE I am committed to do all I can to make sure my player is at the practices and tournaments on time. I will respect the grievance policy and any concerns I have will not be made on the court but done after 24 hours in a respectful manner so that I may model proper conflict resolution to my child. I accept that any absences or late arrival to a tournament will result in loss of playtime for my player during the following tournament. I will consider the effect on the entire team when committing to additional future programs or sports that might increase absences for my player. I understand that each absence may differ so the amount of playtime affected for each absence may vary and will respect the coach's decision on all playtime matters.

3

Expectations of the coach...

As a coach at IGNITE I am committed to my schedule and my team. I know my team is counting on me to be fully committed to them so I will be in the gym before the set starting time. If I am not able to attend a tournament or practice due to an emergency or schedule conflict beyond my control I will proactively have a knowledgeable capable substitute in place and communicate to the entire team any information they may need. I am not only committed to the team as a whole but the growth of each individual player and will provide a lineup that includes each player playing a minimum of 3 full rotations at least one set a match. I understand that outside of loss of playtime from attendance issues that each player must be included in each match with an intentional role for a minimum of one set a match.

4

Expectations of the club...

As a club director at IGNITE I am committed to each team and player fully. No team or player is more important than another. If a parent or player has followed the correct procedures to handle any conflict and resolution was not met, I am committed to stepping in to help find a solution to each problem. I will treat each player, parent and coach as family and make myself available to them easily over text or emails at any time. Personal phone calls or meetings will be made if necessary during normal weekday business hours in order to respect my family time.
