Extended Post Season Opportunities	Junior National Championships Chicago Illinois: \$250 per player Fee Covers: Tournament entry, additional practice time and coaching costs.		
	AAU National Championships Orlando Florida: \$325 per player Fee Covers: Tournament entry, AAU player and coach registration, additional practice time and coaching costs.		
	**Please note: Player travel and food are independent of these fees the responsibility of the individual families. Those costs can be structured according to the desires and needs of each team/family.		
Additional Season Possibilities	At IGNITE we want to meet the needs of all teams by allowing them to "supersize "their schedule beyond tournament dates if they feel the desire or need to do so. This request must be made to the director by the coach and is not a guarantee. We must respect the time and efforts of all involved so all additions must be agreed upon by the coach and entire team.		
	OVR Tournament: Single day \$35.00 per player Two Days: \$70.00 per player	National Qualifier in Columbus: \$85.00 (please note if your team attends a "play in" as an American team and wins the right to attend this tournament, this will be an additional cost.	
Chalk Talk	At IGNITE we strive to reach each player on and off the court. We value them for who they are as a person, not just who they are as a volleyball player. Once a month each coach will schedule a team outing outside of practice time. Each Chalk talk will be Biblically based and centered around character building. Resources from FCA (fellowship of Christian Athletes) will be provided to coaches so they can best meet the individual needs of their team throughout the season. We are excited to make meaningful connections and have fun at the same time!
