Those costs can be structured according to the desires and needs of each team/family. | | | |
| | Additional Tournaments:East Coast Championships-Pittsburgh, ASICS National Championships Chicago, JVA Summerfest | | | |
| Additional Season Possibilities | At IGNITE we want to meet the needs of all teams by allowing them to "supersize "their schedule beyond tournament dates if they feel the desire or need to do so. This request must be made to the director by the coach and is not a guarantee. We must respect the time and efforts of all involved so all additions must be agreed upon by the coach and entire team. | | | |
| | OVR Tournament: Single day \$50.00 per player Two Days: \$100.00 per player | Other Tournaments: JVA Tournaments: \$200-400 per family AAU Tournaments: \$100-300 per family | | |
| Chalk Talk | At IGNITE we strive to reach each player on and off the court. We value them for who they are as a person, not just who they are as a volleyball player. Once a month each coach will schedule a team outing outside of practice time. Each Chalk talk will be Biblically based and centered around character building. Resources from FCA (fellowship of Christian Athletes) will be provided to coaches so they can best meet the individual needs of their team throughout the season. We are excited to make meaningful connections and have fun at the same time! | | | |
